

MEMO (AMENDED)

TO: Public Safety Committee
FROM: Leon Davidoff, Chairperson
DATE: June 20, 2016
SUBJECT: Public Safety Committee

The Public Safety Committee will meet on Thursday, July 7, 2016, at 8:00am, in Town Hall, Room 312, to discuss the following:

AGENDA

1. Fire Department update

The fire department reported on the following at today's meeting: review of recent fire department activity, the fire department taking over paramedic service August 1, the implementation of Priority Dispatch Software, the changes to the RFP for the new town radio system, vehicle rescue training utilizing a Fire Act Grant, addition of a ballistic vest to each apparatus riding position and the delivery of the new pumper is now expected in July.

2. Police Department update

The Police Chief provided an update to the CCSU report on racial profiling and discussed a recent report by CCSU on the use of electronic defense weapons in 2015. In addition the Chief reviewed recent police activity and the upcoming release of the online portal for overnight parking requests.

3. Executive Session – Update on pending claim or investigation
